However, they can be financially independent if they are earning money. They can buy their books, stationary, clothes, gifts *as well as* they can save money for ()future and live independently. Moreover they can financially help their family and friends in case of health sickness and any other reason.

On the other hand, there are disadvantages for them. Firstly, distraction from study is the one major drawback because they think *as much as* they earn (), they can enjoy their life. So they spend more of their precious time *to earn* money as compared to *consume* their time on study.

Comment: because

Comment: an income

Comment: earning

Comment: compared to their time spent studying.

Comment: Secondly, sometimes

Secondly. Sometimes they use their money for *drug addiction* which we can see that *trends of drug addiction is going to be increases by the leap and bound*. *Sometime* they take *drug* only to reduce their stress for study and work. Moreover they do not respect their elders because they think that *we* are independent.

Comment: *To buy drugs, we can see that trends of drug addiction are increasing in leaps and bounds.*

Comment: Sometimes,

Thirdly, the juvenile delinquency is the one of the cause of part time job because they think that if *we* can earn money why *we* *live under influence of their parents*.

Comment: drugs

Comment: they

To sum up, I would like to say that, it is a certainty that *time once passed, never come again*. *teenagers life period is very precious time for them to do study and to make their career even they have whole life to earn money*

Comment: Thirdly, juvenile delinquency is one of the results of teenager s having part time jobs

Comment: they

Comment: do they need to live under their parents influence

This is a good essay, it's well set out and the arguments are good. Well done!

Comment: that once time has passed, it never comes again.

Comment: The teenage period of life is a very precious time for study and to prepare for a career, they have the rest of their life to earn money.
