**Comment:** a

In the today's competitive era() we can see that competition is everywhere, it *may at school, college and work place.* But students need to do more hard work because it will be helpful for them in many ways. *Firstly, they can get more knowledge regarding their subjects. They can win competition and get prices and scholarships and so on.*

**Comment:** Where school and college students are concerned, I think that hard work is important because it is time for them to get an education and make their careers.

**Comment:** era,

**Comment:** it maybe at school, college or the work place

Secondly, it will be helpful to make their career in their chosen field because we do hard work to make our life easy and to get better perspectives.

**Comment:** Firstly, they can get more knowledge regarding their subjects, they can win competitions, get prizes, gain scholarships and so on.

Thirdly, more work helps to increase () capacity of body and mind to work more and more() which is beneficial to enhance knowledge and makes their mind more creative and sharp.

**Comment:** the

**Comment:** ,

On the other hand, sometimes student do not get perspectives in their lives as according to their hard work which *leads optimistic (negative) feeling* and some serious problems such as suicides and crime.

**Comment:** students

**Comment:** leads to negative feelings that can cause

To sum up I would like to say that, hard work is important *for everybody .student need to do hard work because it is a truth, time once has passed never comes again, student have this time to make their life better by doing hard work it is the golden period for them to make their future.*

**Comment:** for everybody . Students need to do hard work because it is true, once time has passed it never comes again. Students have this time to make their life better by doing hard work it is the golden period for them to make their future.

This is a good essay, the paragraphs are well defined but concentrate on the use of articles, 'a, an, the'. Well done.
