| Fluency & Coherence | Lexical Resource (Vocabulary) | Grammatical Range & Accuracy | Pronunciation | Estimated Band Score |
|---------------------|-------------------------------|------------------------------|---------------|----------------------|
| 5.0 | 5.0 | 5.0 | 6.0 | 5.0 |

Comments: Pronunciation is audible and clear. There are some grammatical errors and a few instances of repeated words. Task response is only 1 minute and 12 seconds in length. Candidate has not answered the second question (*How do you know about this country?*), hence task completion is incomplete. There are multiple pauses within same sentence. Also, many sentences appear to be overstretched without giving them proper rest (just like virtual full stop or comma). Range of vocabulary is narrow. Overall, task response is average.

Suggestions: Try speaking for at least 1 minute and 50 seconds for every cue card.
Practice using rich vocabulary words e.g. culture, profession, land of opportunities, fascination etc.
Give answers to all the questions in chronological order and replies should be given proportionate importance
