Fluency & Coherence	Lexical Resource (Vocabulary)	Grammatical Range & Accuracy	Pronunciation	Estimated Band Score
3.5	4.0	4.0	4.0	4.0

**Comments:** Pronunciation of words ( forjen (foreign), teachaa (teacher), layrn (learn), det (that)) is misleading. Response was only 38 seconds long which is unacceptable. There is a repetition of sentences. Range of vocabulary is narrow. Some sentences do not make sense. Candidate uses native accent which is not clearly audible. She has not allowed her answers to be developed there by only giving short answers with abrupt ending.

**Suggestions:** Try using neutral accent to make your speech clear and audible.  
Give detailed answers to the topic under discussion.  
Practice using rich vocabulary words e.g. culture, profession, land of opportunities, fascination etc.  
Speak for at least 1 minute and 45 seconds.
