Fluency & Coherence	Lexical Resource (Vocabulary)	Grammatical Range & Accuracy	Pronunciation	Estimated Band Score
6.0	5.5	6	6	6.0

**Comments:** Pronunciation is audible and clear. The candidate has unnecessarily repeated the question statement which adds no value to the response. There are some grammatical errors and a few instances of repeated words. Candidate has also murmured (how can I say, how should I put it). This approach of talking to oneself is inappropriate. Her range of vocabulary is narrow and words have been wrongly used in sentence. Overall, cue-card response is average.

**Suggestions:** Next time, maintain some distance from the microphone.  
Practice using rich vocabulary words e.g. culture, profession, land of opportunities, fascination etc.  
Avoid repeating cue-card questions.
